Appeal from the United States District Court
for the Eastern District of California
Lawrence K. Karlton, Senior Judge, Presiding

Argued and Submitted June 11, 2003**
San Francisco, California

Before: HILL ***, T.G. NELSON, and HAWKINS, Circuit Judges.

In this consolidated appeal, we find no error in the grant by the district court of summary judgment in favor of the defendants, County of Solano, Donald R. Rowe, Skip Thomson, John Silva and Michael Johnson, and against the plaintiffs, Edith M. Parsons and Valerie Earley. The district court correctly determined that adequate, unbiased administrative procedures were made available to and refused by the plaintiffs. *See Correa v. Nampa School Dist. No. 131*, 645 F/2d 814, 817 (9th Cir. 1981).

AFFIRMED.

** This panel unanimously finds this case suitable for decision without oral argument. See Fed. R. App. P. 34(a)(2).

*** The Honorable James C. Hill, Senior United States Circuit Judge for the Eleventh Circuit, sitting by designation.
